Thank you for considering Millennium Sound for your upcoming wedding. I hope your plans are going smoothly. Our job as DJ is to make sure the reception goes smoothly. We take pride in making sure that every moment of your special day is memorable and stress free. With this letter, we provided you a wedding agenda form to help you plan your reception, a booking informational form, and some basic information about Millennium Sound. This is a NO OBLIGATION package. If you choose us for your special day, contact us as soon as possible so we can hold your date. We would love to be part of your wonderful occasion.

Having provided our services at numerous wedding receptions and events, we have worked with many different photographers, videographers, caterers, and banquet hosts/hostesses.

If you do decide to hire our services, we do suggest that we meet to fine tune your wedding reception agenda. After this meeting, your agenda will be re-typed in order to make multiple copies to be distributed to the other event staff (photographers, videographers, caterers, and banquet hosts/hostesses) to assure that everyone is on the same page throughout the reception.

If you have any questions or concerns, please feel free to call me at (814) 397-0087. We wish you all the luck preparing for this special day!

Thank you,

Mark Eisert
